Dominion President Speaker

High River Presbytery W.A. Meets at Champion

Mrs. V. W. Kinsman, of Stoney Creek, Ontario, President of the Dominion Council of the Women's Association of the United Church was the guest speaker at the meeting of the High River Presbytery W.A. Fall Rally held at Champion, Tuesday, Nov. 1.

Mrs. E. Corbett of Calgary, past president of Conference W.A. introduced Mrs. Kinsman.

The topic of her address was, "Our High Calling."

She said the Women's Association of the United Church was the largest Woman's Organization in Canada.

In her address she reminded the women that theirs is a high calling and that they should ever remember the aim and object of the Woman's Association:

"To deepen the spiritual life of the women of the Church;

To develop a program of Christian Fellowship and service, personal evangelism and stewardship;

To inspire the women of the Church to an increasing knowledge of interest in and loyalty to the total program of the Church."

She oulined the organization of the W.A. from the Dominion Council down to the local W.A., stressing the fact that the Dominion Council exists so that the local can have a deeper Christian experience.

She stressed that religion begins at home. Home is one of the tools with which we build a Christian world. "Do we carry our Christian Witness in our home?"

Before closing she emphasized the importane of a well organized local. There should not be more than one organized W.A. within a local church.

At the close of her address Mrs. W. C. Johnston of Claresholm, presented Mrs. Kinsman with a sterling silver spoon, as a token of remembrance from the High River Presbytery W.A.

A discussion period followed when Mrs. Kinsman explained fully any problems which were presented.

The regular business of the day was ably handled by the new president, Mrs. H. B. Macleod of High River. She cordially welcomed everyone present and introduced those who brought greetings. These were: Mrs. Siler of Champion on behalf of the hostess W.A.; Mrs. Hodson of Coaldale on behalf of the South Alberta Presbytery; and the Rev. Mr. Huston, the new minister of the church at Champion.

An inspiring Worship Service was presented by Mrs. Grey of Carmangay. The topic of her devotional was "Meet the Master", by Peter Marshall.

Mrs. King of High River, recording secretary, read a letter from the treasurer, Mrs. A. Forckel of Okotoks. This was accepted with regret.

Reports were presented as follows: Mrs. A. D. Bowman, High River, Christian Citizenship, Mrs. J. Sorochan, High River, Resolutions, Mrs. V. O. Odney of Lethbridge and Mrs. H. Nixon, Nanton, Literature, Mrs. L. White, Parkland, Visiting and Christian Fellowship, Mrs. D. Anderson, Nanton, Press, Mrs. W. Bryce, Nanton, Devotions, Mrs. W. C. Johnston, Claresholm, Christian Education.

Mrs. Macleod reported on Mount View Home, stating that the towels and laundry bags were needed for the Home.

Roll Call by towns reported the following present; Black Diamond, Blackie, Carmangay, Cayley, Champion, Claresholm, High River, Nanton, Parkland and Turner Valley.

Two musical numbers were beautifully rendered by the Champion Junior Choir under the leadership of Mrs. Carlson and assisted by Miss Gloria Fraser.

Mrs. Siler of Champion presented the courtesy report.

Mrs. Corbett of Calgary closed the meeting with the W.A. Theme Prayer. Lunch and tea were served in the basement by the members of the Champion W.A.

Services on Friday

Remembrance Day, Friday, Nov. 11, will be observed as a public holiday. Residents are urged to attend the Remembrance Day Services being held at various centres throughout the County.

In Vulcan, the service will be held in the Vulcan Theatre at 10:50 a.m. and in Champion at the Community Hall at the same time.

Elks Sponsoring Play-at-home Bingo

Something new for this district, although it has been popular in other communities for the past two years, is play-at-home bingo, which is being introduced here by the Vulcan Elks Lodge.

The way it works is, briefly, that cards are purchased at $1.00 each and kept at home or elsewhere by the contestants. Each week five numbers are drawn and published in the Advocate in the order (left to right) in which they are drawn. The card-holder crosses out, on his card, any of the numbers in the published list and when he has achieved a "black-out" bingo advises bingo headquarters in Vulcan.

The prize offered in this first play-at-home bingo is $200 cash and cards are available from any member of the Elks Lodge or at certain stores in town. Further details will be found in the advertisement elsewhere in this issue.

Plan Panel On "Homework"

The executive of the Home and School Association met recently at the home of Mr. and Mrs. Worger. The report of the Ways and Means committee, under the chairmanship of Mrs. Jesse, was approved. The first activity to be undertaken this year is a card party to be held in the High School on November 18. Whist and bridge will be played, and lunch will be served.

Program planning took up the remainder of the meeting. On Tuesday evening, November 15 after the regular business meeting of the Home and School, a panel will discuss homework. On the panel will be two parents, two teachers, and two students. Mr. Worger will act as chairman of the panel. It is hoped that all parents, teachers, and students interested will feel free to add their opinions and suggestions during the discussion period which will follow the presentation of the views of the panel.

Hansell To Speak At Remembrance Day Service

The general public is invited to attend the annual Remembrance Day Service which will be held in the Vulcan Theatre on Friday, Nov. 11 at 10:50 a.m.

Members of the Canadian Legion, the Vulcan platoon of the Calgary Highlanders, Army Cadets, Scouts, Cubs, Guides and Brownies will assemble in front of the Legion hall at 10:30 a.m. to parade to the theatre for the service. The service will be conducted by members of the local ministry and E. G. Hansell M.P., will deliver the address.

Following the service there will be a wreath-laying ceremony at the Memorial Stone in the Elks Memorial Park.

Reynolds-Thomas Wedding Rites

The home of the bride's parents was the scene of a recent, late afternoon ceremony, when Rev. H. G. deLeeuw of the United Church of Canada conducted the double-ring wedding rites for Miss Joan Edith Thomas, only daughter of Mr. and Mrs. D. P. Thomas of Vulcan, and Lloyd Edward Reynolds, elder son of Mr. and Mrs. A. E. Reynolds of Sexsmith.

Given in marriage by her father the bride chose a dark brown wool suit. The fitted peplum-jacket had an embroidered trim of copper and pearl beads, which was repeated on her bisque-colored velour hat, and she carried gloves in a matching tone. Her corsage was of talisman roses, gardenias and stephanotis. The bride's jewellery consisted of a tiny pair of cloisonne's earrings, a gift from the groom's maternal grandmother, Mrs. Smith Moore of St. John, N.B., and an Alaska diamond dinner ring, the gift of the groom.

Mrs. Myrna Fleming, matron of honor and Miss Janice Flieger, bridesmaid, attended their cousin. Mrs. Fleming wore a suit of blue and grey check, with navy accessories and Miss Flieger wore a slate colored suit with blue accessories. They each wore a corsage of pink carnations.

Mr. Wayne Reynolds was groomsman for his brother and Mr. Allan Thomas, brother of the bride, ushered the guests.

Mr. Jack Marshall was in charge of the wedding music and during the signing of the register, Mr. Reg Scotney sang "O Promise Me."

The bride's mother was attired in a navy blue dress with pink accessories and wore a corsage of American Beauty roses.

A reception for the sixty-five guests immediately followed the ceremony. Bronze chrysanthemums decorated the room and the bridal table beautifully arranged under an arch of white wedding bells was centered with the wedding cake, surrounded by pink tulle and orange blossoms, and topped by a single full-bloom rose. The white bow, on the handle of the knife, used to cut the cake, was from the wedding bouquet of the bride's mother.

The groom responded to a toast to the bride proposed by Mr. Gordon Clayton. Miss Shirley Baker sang "Always," and Rev. deLeeuw as master of ceremonies gave an address, concerning his first marriage ceremony, which had been that of the bride's parents.

Mrs. Terry White was in charge of displaying the gifts, and Mrs. Danny White was in charge of the guest book.

For travelling the bride added a grey fur jacket to her wedding ensemble, and a coffee-toast clutch bag that matched her shoes.

Following their honeymoon the young couple will reside in Edmonton.

Out-of-town guests attending the wedding were: Rev. and Mrs. H. G. deLeeeuw and Wendy of Stavely; Wayne Reynolds of Ponoka; Mr. and Mrs. G. B. Minue and Miss Jean Minue of Red Deer; Mrs. Thomas Moore of Vancouver, B.C.; Mr. and Mrs. E. A. Macdonnell of Tilly; Miss Shirley Baker of Blackie; Bill Lutynic of Olds; Mr. and Mrs. B. W. Flieger and Tommy and Miss Janice Flieger of Innisfail; Mr. and Mrs. Frank Johnson and Bob of Lethbridge; Mr. and Mrs. George Hedges, Mrs. Opal Drummund, Mr. and Mrs. Jim Fleming and Mr. and Mrs. Danny White, all of Calgary.

For Grade 9 Work

Four Students To Receive Royal Purple Awards

The Order of the Royal Purple Lodge No. 133, ladies' auxiliary to the B.P.O. Elks, will again this year present awards to the Grade 9 students who attained the highest standing in Language, Social Studies, Mathematics and Science.

Winners of the four awards this year are Francis Victoria Earl (Language), Roberta Rowena Harold (Social Studies), Grace Elaine Johnson (Mathematics), and David John Saxby (Science).

The awards will be made at a ceremony at the Sadie Hawkins dance which will be held in the high school auditorium on Thursday evening, Nov. 10. District Deputy Supreme Honored Royal Lady Olga Miller will make the presentations on behalf of the members of the OORP Lodge with each of the four winning students receiving a certificate of merit and a cash award of $25.00

Brownie-Guides Training Courses

On Nov. 5 and 6 the Scout-Guide hall was the scene of varied activity. Commissioner Moore of High River and Miss Rittick, Field Secretary of Canadian Girl Guides were in Vulcan to hold Brownie and Guides Training Courses. Miss Rittick of Calgary holds similar courses across the whole Dominion. She spent several months in Newfoundland last year.

The district Ass'n. semi-annual meeting scheduled Friday afternoon could not be held as no quorum was present.

The Mother's Ass'n. of Vulcan served a delicious supper to out-of-town visitors on Friday. The Brownie Owls from High River district met in the Guide Hall during the evening when Miss Rittick held a training session which they found much help.

All day Saturday 12 Guides and their Lt. received training inspiration from Miss Rittick and Commissioner Moore. The afternoon ended with serving tea by members of Vulcan Guide Company.

THE WEATHER

Fine weather has prevailed this week with a strong Chinook wind removing most of the snow from the fields. Temperatures have been in the 25 to 40 above range.

Out of 100 donors there are on the average 46 people with O Group Blood, 40 with A, 10 with B, and 4 ABs. Of these 85 have positive blood, and 15 negative blood. Of the negatives there are on the average 7 O's, 6 A's, 1½ Bs and 1 AB. It can be readily seen that it is necessary to keep donations at a high figure all the year round in order to have all types of blood groups available at any time. Your blood group is needed at the clinic in Vulcan on Thursday, November 10.

Mrs. R. Deal Heads Thigh Hill W.I.

The annual meeting of the Thigh Hill W.I. was held at the home of Mrs. Earl Ericksen, Thursday, Nov. 4, with 12 members and four visitors present. Roll call was answered by each member displaying a flag of the United Nations.

Mrs. Martin Gottenberg, as acting chairman, conducted the election of officers, with the following results: Mrs. R. Deal, re-elected president; Mrs. T. Houlton, re-elected vice-president; Mrs. R. Lundgren elected secretary-treasurer. Directors: Mrs. Norman Soder, Mrs. R. Marshall and Mrs. Pat Roe. Sick and Visiting committee: Mrs. Verne Patriquin and Mrs. Earl Ericksen.

Mrs. Martin Gottenberg gave a most interesting paper on the United Nations, which was much enjoyed.

A donation of $5 was voted to the Vulcan Public Library, and a $3 Poppy spray was ordered for Remembrance Day.

An interesting word contest was arranged by Mrs. F. Gottenberg and was won by Mrs. R. Marshall, while the draw went to Mrs. Ericksen.

Keystone Class Elects Officers

Mrs. M. Boose was hostess to the ladies of the Keystone Class of the Church of Christ for the November meeting.

Hymns were sung and prayers offered by Mrs. A. Wismer, Mrs. J. Deans and Mrs. J. Chapman. The scripture reading was taken from Acts 28 was read by the President Mrs. J. Deans, who also took the devotional for the afternoon in place of Miss C. Rinehart who was unable to attend on account of illness.

Minutes were read and approved and the roll call responded to by the ladies giving a scripture verse on 'Forgiveness.'

A motion was made and seconded that ten dollars be sent to the Kulpahar Mission in India.

Election of officers took place with the following result: Mrs. J. Deans, president; Mrs. D. Smith, vice-president; Mrs. E. G. Hansell, secretary; Miss C. Rinehart, Missionary secretary-treasurer.

Preparations were made for the forthcoming Christmas meeting to be held at the home of Mrs. C. Fleming. It was decided to have a "Christmas Pie" as a special feature; special music was also to be on the program.

A committee consisting of Mrs L. Hammer, Miss N. Ware, Mrs. J. Chapman and Mrs. P. Clark was appointed to draw up a program for 1956.

A lovely lunch was served at the close of the meeting with Mrs. P. Clark, Miss N. Ware and Mrs. J. Deans assisting. A hearty vote of thanks was given to the hostess for the use of her home.

4-H Clubs Achievement Day Held at Vulcan

The annual joint Achievement Day of Vulcan, Champion and Carmangay 4-H Wheat Clubs was held in the Legion Hall at Vulcan recently and was well attended by parents and friends of the club members.

Displays were set up in the morning and at noon club members and officials enjoyed a banquet prepared and served by the United Church Women's Association, with the tables attractively decorated with grain in a 4-H motif.

The thematic displays set up in the hall were very interesting, with the theme of each display well brought out.

The Vulcan Lions Club Cup for the best decorated display was won by the Carmangay Club, with a display depicting 50 years of progress in Alberta. The cup was presented by Miss J. Donaldson of Claresholm, District Home Economist, who was assisted in judging the display by Miss Betty Bardman, DHE of Lethbridge.

The grain judging contest was won by David Hansen with a score of 88, a exceptionally good showing in view of the fact that this was his first year with the 4-H Club.

The Grand Championship Wheat was displayed by Gerald Schultz of the Chinook variety. The Reserve Championship was won by Blain Middleton of the Vulcan Club. The County of Vulcan trophy for the best wheat was presented by Spencer Burns, supervisor of the County Agricultural Service Board.

The Carmangay Lions Club cup for the highest general efficiency was won by the only girl in the three clubs, Miss Glenda Moore of Carmangay. The cup was presented by Sid Thomson, Carmangay club leader and a member of the Carmangay Lions Club.

The Champion Lions Club cup for the club having the highest average in individual general efficiency scores was won by the Champion 4-H Club and was presented by Gordon Davies Champion club leader and a member of the Champion Lions Club.

Mr. Cooper of Edmonton, Junior Activities 4-H counsel, judged the wheat exhibits and remarked on the high quality of wheat displayed and the excellent work that had been done in preparing the samples. He talked briefly on preparing of exhibits stressing the use of screens. He was assisted in judging by Bruce Gateman, of the Mossleigh 4-H Club and Dennis Linberg, winner of the provincial grain judging competition.

Top wheat exhibits in each of the three clubs were as follows:

Vulcan—1, Blaine Middleton; 2, John Graham; 3, Jimmy Graham.

Carmangay—1, Allan Egland; 2, Glenda Moore; 3, Glen Anderson.

Champion—1 Gerald Schultz; 2, Dale Groves; 3 Dale Versluys.

Best plots—Carmangay, Glen Anderson; Champion, Dale Versluys; Vulcan John Graham.

Highest efficiency scores—Carmangay, Glenda Moore; Champion, Dale Versluys; Vulcan, John Graham.

Leather purses were presented to the winners of the plot competition by Norman Bell on behalf of the Alberta Wheat Pool.

District Agriculturists Hugh Michael of Claresholm and Peter Jamison of Lethbridge were both present for the occasion and their services during the day were greatly appreciated.

Ross Walker, leader of the Vulcan Club, acted as chairman. He paid tribute to the Vulcan Lions Club who are sponsors of the Vulcan 4-H Wheat Club and who also assumed all the expenses in connection with the holding of the Achievement Day.

He voiced the apreciation of the club leaders for the co-operation of the members and of the members' parents during the year.

In recognition and appreciation of Mr. Walker's efforts as club leader, he was presented with a pigskin wallet by Blaine Middleton, president of the Vulcan Club.

Loans Up to $1500 At 5% Interest

Trade Minister C. D. Howe announced last week that, effective Nov. 15, prairie farmers will be able to borrow a maximum of $1,500 each under government-guaranteed bank loans with farm-held grain as security. The loans will be made at an interest rate of five per cent.

Loans will be correspondingly lower than the $1,500 maximum if the value of the grain the farmer may become entitled to deliver in the current crop year is less than $3,000 or if the farmer has already delivered some grain to the Wheat Board against his 1955-56 delivery quota.

A farmer receiving a loan under this plan must apply at least one-half the proceeds of each of his grain deliveries to the Wheat Board against repayment of the loan.

Rebekahs Mark 42nd Anniversary

Cloverleaf Rebekah No. 37 celebrated its 42nd anniversary Monday evening, with two charter members, Mrs. Anna Brooks and R. L. Elves of Calgary in attendance, as well as a fine turnout of local members and visitors from High River and several from Calgary.

Sister Lebarge of High River, president of the Rebekah Assembly of Alberta, paid an official visit.

Mrs. J. C. MacMillan gave a splendid address outlining the institution of the lodge here, and many of the activities since. She cited many interesting highlights which were much enjoyed by all present. A number of letters were read from members now residing at various points.

A fine program was presented, and a social evening spent.

Serving of a delicious lunch concluded the program.

With Permission

Several farmers in the east country have posted their farms with signs which read "Hunters Welcome with Permission." Their's has been a unique experience, and a happy one by all reports. One chap, a hunter, but not shooting at the time, saw such a sign, stopped his car and called in to the farm house. He just wanted to express his appreciation and shake that farmer's hand. Later, a hunter, being faced with the prevalent "No Shooting" signs most of the morning, spotted this unusual notice and called on the farmer who advised him where he might find game in the fields. Needless to say, this sportsman stepped on no swath and later was heard to remark "I was so pleased that I even picked up my used shells and when I opened a bottle of pop, carefully placed the top in my pocket." It's a new approach and may provide the answer of courtesy on the part of the hunter and the realization that he is, by hunting another's land, accepting their hospitality and is indebted to them for their courtesy in allowing the use of that land.

Today there are many more guns than a few years ago; there is more leisure; there is more money; for shells and transportation, and those resident in this part of Canada are drawn to the wide sweep of country acres. The novice hunter, after acquiring the necessary weapon, ammunition and license sallies forth in the belief that his permit covers all fields and contingencies. If he spots birds in a brush he piles out and starts shooting, completely disregarding the fact that the brush surrounds a farm home: or that kiddies may be playing nearby; or that these particular birds were household pets, fed through the winter and a pleasure to the farm family. If the land is posted, he'll figure his chances of a quick shot and get-away, and in that shooting pepper the farm buildings, endanger the life of all nearby.

This type of hunter is in the minority, but he is here. On him and his kind rests the responsibility of closed lands, for he is no respector of the rights of others and as a result closes doors to all who love the outdoors and an afternoon of hunting. The average farmer has no quarrel with the men who are careful and considerate of the privilege of using his land. But subject to insult and indignities, naturally they have posted their land.

It may be that instead of the blunt 'No Shooting,' frequently ignored by the car hunters, permission hunting would appeal to the decency and responsibility of those who abuse the farmers' rights. It might bring back the feeling of friendliness and hospitality that once was enjoyed throughout this district. Should damage be done, the farmer would know the responsible party and take proper action to recover.

Letters to the Editor

To the Editor,
The Advocate

Things are pretty quiet here in western Canada. The farmers have almost completed harvesting another beautiful crop. Their granaries are full and their isn't any market for it. Business is at a standstill. As Mark Twain said about the weather; Everybody talks about it but no one does a thing about it. The most of our ills could be rectified at Ottawa but we farmers have no bargaining power. Our votes don't count very much in electing Parliament, hence we don't have very much to say about the policies of our government.

Our industries of secondary importance receives much more consideration. Is it because their votes are of more importance?

It does not do us much good to send a delegation to Ottawa to beg for some measure of fairness as generally the delegation returns with crestfallen looks to report that their petition would receive consideration and possibly some Cabinet Minister will make a tour out west and tell us that we were never better off in our lives; what are we kicking for.

We asked Parliament to set up a Board to sell our surplus wheat. Parliament did set up a Wheat Board and now do sell all our wheat, barley and oats.

We are not criticising our Wheat Board. It is those that are directing the policies of the Board that are on the spot. Those that say there is no market for wheat.

There are millions of under nourished people in the world that have something that we want to use but; 'Babiyon' says no; we can't trade, we must have gold. Is there anything sensible in digging and mining gold here in Canada and sending it down to Kentucky to bury it again where no one ever sees or uses it again?

It is right for our Canadian millions to buy their wheat to be milled for domestic use for 50c or more per bushel, less than the world price thereby every consumer of bread in Canada has their hand in the farmer's pocket. You don't hear much kick about this do you? Again the western farmer pays the freight on his barley and oats to Fort William and the Eastern feeder has the freight paid from there to his feeding point; hence, the Western feeder must compete in the market of his livestock. You don't know much about this either, do you?

Is it right that Eastern Canadian Industry should have the whole of Western Canada for their own field of exploitation? Haven't we subsidized our infant industry long enough? Is it true that Eastern Canadian Industry direct the policies of our Canadian laws thereby creating an East is East and West is West and ne-er the twain shall meet.

Would it not be better to do away with all protective tariff and tell Eastern Industry to compete with the rest of the world and all live like one big happy family?

I don't think there is such stupidity in any other nation in the world.

Supposing we draw a line at the Canadian-U.S. border just east of Fort William, north of the Arctic Circle. On the East we would have Eastern Canada and on the West we would have Western Canada.

We could have the Queen's portrait on the currency and fly the Union Jack just the same, but we would have a Western Bloc and could compel Parliament to revise the B.N.A. Act whereby we would have a voice enacting the laws of our Parliament.

It is only by the Grace of God that we have an abundance of food. We can't give our Cabinet ministers any credit for that. The only plan they have for us is the one to be feared the most. That is to guarantee loans made by the Banks on stored grain on the farm.

The Banks would then control the grain and could force give away sales that would cause a havoc with the whole of Western Canada.

We are not looking for a handout but we expect a fair and sensible program. A prosperous agriculture makes a prosperous Canada.

"Scotty"
Miles Clemmons,
Milo, Alberta.

Dear Mr. Editor,
I wonder if you would be kind enough to publish the following letter for the information of your many readers. Thanking you very much for your support in this worthwhile effort.

3rd November, 1955

Dear Friends:

You are undoubtedly aware that for the last twenty-five years, the Canadian National Institute for the Blind in Central and Southern Alberta, has been faithfully serving a large group of seriously handicapped people.

So often we think of blindness as just a word that applies to other people, but if we stop for a moment and think what blindness really means to an individual, then we feel sure that you, in your gratitude for your sight, would like to help in a small way the program of service to blind people which is carried out by the CNIB.

This year the Vulcan and District Branch of the CNIB, of which the writer is Chairman, are assuming the responsibility for conducting the annual fall fund-raising campaign of CNIB, and my executive and myself, and members of the Vulcan Branch, are asking your individual and united support, in order that this campaign may be an overwhelming success. The objective of the campaign of CNIB in central and southern Alberta this year is $25,000, and the funds so provided furnish about 50 per cent of what is needed to carry out the program of services to the blind of this district.

You may mail your donation to me at the United Church Manse, or to Mr. Stuart Manning, our Branch Treasurer, at the local Provincial Treasury Branch. Contributors will receive an official receipt which may be used when filing income-tax returns.

We know from past experience that after some thought you will be happy to have the privilege of assisting this worthy cause. Take a look through your window! Think of what you see there, and then imagine total blindness for the rest of your life! We know that you will then contribute generously to an agency which is working towards making the lives of blind folk happier.

Faithfully Yours,
(Rev.) John S. Clarke,
Chairman,
Vulcan and District Branch.

Farm wages in Alberta averaged $115 with board a month at mid-August, reports the Dominion bureau of statistics. Without board the average was $151 a month.

Will fertilizing pay on my farm?

Yes! in my work as an agriculturalist I've found fertilizer to be an important part of good farming.

Agriculturalists, and over 100,000 prairie farmers, have learned from experience that fertilizing means better farming *and* bigger profits. Besides increased yields, farmers who fertilize reap additional benefits in earlier harvesting, improved quality, and control of weeds. Ask your Elephant Brand agent about the right fertilizer for your farm.

LOMOND

Friends will be sorry to learn that Floyd Stannard had the misfortune to fall and break his wrist last week.

At the C.G.I.T. Hallowe'en Fun and Frolic Play and Dance held in Lomond on Oct. 28th, the girls took in $266.50. Expenses amounted to $130.72. They realized $135.78 from the evening and were a very pleased bunch of girls and as on many occasions after putting on a dance they have gone behind in stead of showing any profit.

The Lomond Goodwill Service Club are sponsoring a $50.00 scholarship for the Lomond Grade Nine class. This scholarship is to be given to the student achieving the highest average on their departmental examinations and will be presented in September of each year.

Quite a number of Lomond residents attended the dance in Milo on Friday evening. Nov. 4.

Mr. and Mrs. Leroy Hostetler were the lucky winners of a set of bathroom scales at the dance in Milo on Friday evening.

The Lomond Women's Missionary Federation are holding their bazaar bake table and supper on Saturday, Nov. 12 and are hoping for a good attendance. They will use the proceeds to improve the interior of the Lomond Lutheran Church.

Mr. and Mrs. Peter Ruppert were visitors in Lethbridge on Tuesday of last week.

Mr. and Mrs. Stan Craig and Mrs. G. Zambaldi motored to Vauxhall and Taber on Sunday where they visited old friends.

ARMADA

Elmer Sealock and Miss Betty Kunkel of Calgary were weekend guests at the home of Mr. and Mrs. N. Kunkel.

Mr. and Mrs. Eccles of Taber were recent guests at the home of their son-in-law and daughter, Mr. and Mrs C. H. Hanna.

Mr. and Mrs. Bob Stokes and boys accompanied by the latter's parents, Mr. and Mrs. E. Vanatta of Milo, are vacationing in the States.

Mrs. R. Chambers and girls were visitors to Kipp spending a few days at the home of the former's parents, Mr. and Mrs. M. Magella.

Armada was rather shy of men this week when several of the menfolk took off for some good old hunting west of Longview. Those participating in the sport were Ross and Allan Chambers Max Hanna, Orville Herman, Stan Marks and Frank Stokes.

Seems we have a few lucky people in the Armada district anyway. Stan Henrickson won a T.V. set playing Bingo in Lethbridge last week. TV in the garage, eh, Stan?

Mrs. Max Hanna had as guests last week her sister, Mrs. C. Anderson and family of Champion.

Lund won the guessing contest. The afternoon tea raffle went to Mrs. A. Marks. Lunch was then served by Mrs. H. Birkenes, Mrs. S. Marks and Mrs. F. Stokes.

Mr. and Mrs. A. Marks were Sunday guests at the E. Anderson home of Milo.

E. Howell and A. Vaile motored to Calgary Saturday night.

Mr. and Mrs. J. Marks and family were visitors to High River Saturday.

Several Armada folk attended the benefit dance in Milo last Friday night.

The other evening a drunk came staggering down the street, rather tipsy and coming to a light-post, reached into his pocket for his housekey and was fumbling for the keyhole when a policeman came up to him and said politely, "Nobody home, eh?" The drunk replied, "Should be, there's a light upstairs."

The Magician Show and Dance sponsored by the Clifford Entertainers of Edmonton has been postponed.

Stanley and Maurice Henrickson, Frank Boyd, Irvin Bennet and Orville Herman were recent business visitors to Cowley.

Mr. and Mrs. Frank Boyd and family were Sunday visitors at the home of their son and daughter-in-law, Mr. and Mrs. Gordon Boyd of Milo.

Congratulations go out to Mr. and Mrs. Elmer Boyd who were married at the coast on Saturday, Nov. 5.

Mrs. Gordon Lucas had an enjoyable birthday party on Saturday in honor of her two little daughters, Charlene and Sheila. A large number of little girls attended. They both received a number of gifts.

Maurice Henrickson and Mr. and Mrs. Irvin Bennet were Lethbridge visitors.

Mr. and Mrs. F. Boyd were Tuesday visitors to Lethbridge, where their daughter, Mrs. Dick Rittenhouse is in hospital. We wish her a speedy recovery from friends here.

BRANT

Brant Ladies Aid

The Ladies Aid met at the home of Mrs. H. Bateman, Thursday afternoon, Nov. 3rd, with 13 members present.

The devotional was given by Mrs. Fred Payce. This was the annual meeting. The following ladies were elected to office: Mrs. Steve Dixon, President; Mrs. Mickey McKay, Vice-President. Mrs. Wm. Burley was re-elected Sec.-Treasurer.

In the business session chairs for the Sunday School were discussed and it was decided that they would order one for a sample. The Christmas meeting will be held if possible in the church hall, Thursday, Dec. 1st. And it is hoped that the Aid will be able to hold all future meetings in the hall.

At the close of the meeting a lovely lunch was served by Mrs. Wm. Burley and Mrs. Henry Bateman.

The Students Union of Brant decided to hold their first dance of the year on Thursday evening, Nov. 10.

Correction: It was previously stated that Dave Baskin was moving to Okotoks as station agent. He is going as operator instead.

Mr. and Mrs. Don Wilkinson and daughter are making their new home in Calagry. Don will be stationed there with the Navy. Mrs. Wilkinson and daughter are at present staying with the former's parents, Mr. and Mrs. Jim Wilkinson.

Mrs. Stacey Graham and Jeanette and Elston Wilkinson spent the long weekend visiting in Great Falls.

Miss Alta Young, B.S.C., who took her degree majoring in nursing and minoring in Biological Science, left Calgary last Wednesday morning for Portland, Oregon, where she is employed in one of Portland's hospitals. Alta has been home for three months and was a great help during the harvest season.

Mrs. John Evers from Calgary, was visiting her daughter, Mrs. F. Sellars and family for the weekend.

Our deepest sympathy is extended to Mrs. Wm. Burley and family in the death of her mother, Mrs. Ayres, who passed away in High River hospital Friday night at the age of 80.

The Annual Chicken Supper for the community hall will be held November 16.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne*)—discovery of a famous scientific institute.

Now you can get this new healing substance in suppository or ointment form called "*Preparation H**. Ask for it at all drug stores. Satisfaction guaranteed or money refunded.

this stake is **TOUGH!**

The stakes surveyors use to mark land boundaries have a way of disappearing—and that can mean a whole survey has to be done over again. But now there's a new all-aluminum stake that is tough for time and weather and playful animals to handle. It won't rust, rot or weaken. And two barbs open out at right angles, underground, to prevent its being rooted out by even the most muscular bear. It's a Canadian invention, made of Canadian aluminum, by a Canadian company, to meet a typically Canadian problem.

KIRKCALDY

Mr. and Mrs. Evan Munro and Sharon visited at the home of the former's brother-in-law and sister, Mr. and Mrs. Jim Kettleson in Calgary this week.

Mr. and Mrs. Ray Beckner and Helen of Etzikom, Alta., visited at the Mallory & Carnegie home recently. Helen underwent a tonsillectomy in the Vulcan hospital on Wednesday.

Mrs. Agnes Clarke returned to the home of her daughter, Mrs. M. Scobie on Tuesday from the Vulcan hospital.

The Kirkcaldy W.I. will hold a card party in the Kirkcaldy hall on Friday, Nov. 11 at 8 p.m. Bridge and Whist prizes will be given, and lunch will be served.

Miss Yvonne Whitford, who is employed at the Vulcan hospital, spent Monday at the home of her brother-in-law and sister, Mr. and Mrs. Arnold Hedin.

MAJORVILLE

Recent visitors at the home of Mr. and Mrs. George Heather were Mr. and Mrs. Lloyd Jacobson and family of Enchant and Mr. and Mrs. Damien Corbeil of Cluny.

While out hunting ducks last week John Umscheid and Bert Clemmons brought in a banded mallard drake. The boys were over east of Majorville at the time. Bert sent the band to Washington, D.C. It would be interesting to know where the bird was banded.

Mrs. Bob Scott attended the Home and School Workshop at Banff recently.

The Lutheran WMF had quite a successful evening serving hot dogs and hamburgers at the Lions Carnival last Saturday. The eating booth was about the only place where you could place your money and be sure you would get something.

It was interesting to see how some of the younger folks financed their supper. Two girls ordered a hamburger, a piece of pie and two bottles of pop. At current prices, they each paid a quarter. Borrowing a knife, the pie was cut in two pieces, also the hamburger — each had her own pop. Not a bad idea at that.

Mrs. Hap Heather was a patient in Vulcan hospital for a few days recently. She is now at home again. Mrs. Alf Heather left on Thursday with her father and mother, Mr. and Mrs. Hughes of Chicago, for Shelby, Montana, where they will visit Mr. and Mrs. Chambers. Mrs. Hughes has recovered sufficiently from her recent heart attack to return home. She and her husband intend to go from Shelby by train. Mrs. Heather will drive their car to Chicago and then return by train or bus.

Ellen Thompson is staying with her grandmother this week while her parents are on a trip to the USA.

We would like to add our congratulations to Mr. and Mrs. Clarence Umscheid who have acquired another grandson and to Mr. and Mrs. Larry Umscheid on the birth of a son in Vulcan hospital.

Mr. and Mrs. Vic Bertrand have gone to Calgary where they expect to spend part of the winter.

Mr. and Mrs. Lewis were visitors at the home of Mr. and Mrs. Bill Sharpe of the Berrywater district on Saturday.

On the way home from Vulcan last Thursday, Mrs. Prentice accompanied by Mrs. Francis and Mrs. Morseth stopped off at Ensign to visit at the home of Mr. and Mrs. Jack Hunter.

Marvin Winch left on Sunday for Calgary to register at the "Tech for the course in agriculture.

The foregoing was prepared for the paper last week but who knows in Alberta what the weather-man is cooking up overnight. Monday morning was the variety that makes everyone who can turn over for another forty winks, and by Monday afternoon a baby blizzard was in progress; so that is the reason why there was no news last week.

• • •

Mr. and Mrs. Wellman left on Tuesday to spend the winter somewhere in the USA.

Mrs. George Heather and Joanne were visitors to Brooks on Sunday, at the home of Mrs. Sina Orsten, who is leaving shortly to make her home in Edmonton.

John Bartsch was a visitor to Wetaskiwin and Calgary during the week.

Mr. and Mrs. Sandy Henry went to Bassano where they stayed overnight with the latter's brother-in-law and sister, Mr. and Mrs. Jim Avery. From there they all went to Rocky Mountain House district to visit another brother-in-law and sister, Mr. and Mrs. Bert Whatmore.

Bruce and Gene Henry have gone to Calgary to work as carpenters during the winter.

Mrs. Prentice received a letter from her son Bob who has been stationed in Germany with the RCAF, that he will be leaving for Montreal and home by plane towards the end of the month.

Alf Heather and Hap Heather recently had TV sets installed.

Only one little old witch braved the cold snowy evening to come calling for treats or tricks on Hallowe'en and it's doubtful whether she would have ventured forth had not dad and mom also been along.

Owing to the stormy weather at the beginning of the week a number of the young fellows changed their minds about going after big game in the foothills.

The November meeting of the FWUA will be held at the home of Mrs. Clarence Umscheid.

Marvin Winch and Marilyn Thompson were among the costume winners at the Rebekah dance on Friday.

Hap Heather had the lucky first ticket on the draw at the masqeurade on Friday and received a nest of tables. Roy Hostetler had second ticket and won a set of bathroom scales.

BERRYWATER

A re-union of the Richardson family, held at the Lee Richardson home on Saturday, was attended by 24 members, who enjoyed a family dinner and fine social evening.

Mr. and Mrs. Stan Wickstrom and family were visitors to Calgary on Monday.

Mr. and Mrs. D. B. Smith are attending a convention in Calgary this week.

Mrs. Leslie Richardson was a Calgary visitor Sunday and Monday.

Congratulations to Mr. and Mrs. Donald Hagen of Lethbridge on the birth of a son. Mrs. Hagen was the former Miss Jean McLeod, daughter of Mr. and Mrs. William McLeod of Lomond.

Mr. and Mrs. A. McAlister and family are visitors in Calgary where Mr. McAlister is attending a convention.

Miss Marguerite McCarthy was a weekend visitor at her home in Vauxhall.

TOPPING:—

1½ cups pared apples, sliced thin.
½ cup brown sugar
⅓ cup flour
¼ cup shortening

SERVICE BOARD NOTES

H. S. Burns, Field Supervisor

The work of vaccination for Brucellosis is going along good, having completed the work of about 1000 calves at the date of publication of this paper. The early work in this regard is usually a little slow due to the fact that some farmers are not yet in a position to go ahead with the work, but it is expected tha in another week or two most of the cattle will be home from summer pasture and there will not be many delays. If we can have your usual good co-operation and the weather remain nice, this program will be pushed through with all speed by the Veterinarian and all concerned with the work.

It is interesting and encouraging that many farmers are building cattle chutes according to plans which we mailed from this office a few weeks ago. The possession of a good chute always adds to the ease of handling and cattle are not excited to the same extent as when the rope is used.
